

JULY 2023

## PRE SCHOOL NEWSLETTER

This term we have been exploring transitioning to school in our Home Corner with a school theme and children have been enjoying playing in local school uniforms, taking registers and playing in our 'classroom'. We wish all our children leaving us to move up to Primary school a very smooth and happy transition and look forward to hearing about your adventures!

We have been making the most of the warm weather with lots of creative and messy play in the garden, including shaving foam and paint. Children have been learning about how things grow by looking after our plants that they sowed earlier in the year. We have enjoyed time at the park, wonderful Forest School sessions and lots of letter formation practice.

Please make sure that you take all of your child's clothing home from their peg, as we break up for the end of term. This includes any wellies and outdoor clothing, hats etc that they may have left on their pegs. Please, also, check your child's drawers as we will be popping any of their creations in there for you to cherish. Staff will be placing lost property items outside Pre-School in the final week of term for you to check.

We are hoping for a sunny final week of term so that we can enjoy Sports outside each morning and After Tea Parties to wish our Pre-School Leavers the very best in our afternoon sessions. Some parents have asked if they can send in cakes - you are welcome to do so but can we please ask that they are sealed, in date and shop bought so that we can see a list of ingredients to support our children with allergies and dietary requirements.

Friday 21st July is a staff INSET day so the children's last day is Thursday 20th July. The first day of term in September is also an INSET day for staff - Friday 1st September - and we look forward to welcoming children from Monday 4th September onwards for the new year.

We are thrilled that Rachel welcomed baby Mabel safely last month, please join with us in sending her our best wishes. We are also really pleased to welcome Kati back to us after recovering safely from her operation.

Do look out for updates in our final week on our Facebook page as well as our Leavers' Video! Wishing you and your families a happy end of term and a safe and healthy summer holiday.

With many thanks,  
The Pre-School Team
